VERSION HISTORY

11/07/2022

Evolis Printer Driver- 6.8.1.190

- Rebranded Evolis Printer Driver with the new Evolis graphical identity

30/06/2021

Evolis Printer Driver - 6.8.0.174

- Add support for new kiosk range printers (KC Essential, KC Prime, KC Max)

09/07/2020

Evolis Printer Driver - 6.6.2.138

- Improvement of universal communication tool ("comtool") to be compliant with Mac OX from version 10.11 to the latest.

28/06/2016

Evolis Printer Driver - 6.5.2.95

- Improvement for insertion / ejection / rejection mode (for lamination module).

13/01/2016

Evolis Printer Driver - 6.5.1.86

- New feature: add card pre-loading management for Primacy and monochrome ribbons.

19/11/2015

Evolis Printer Driver - 6.4.1.81

- Add support for new models: Evolis KM500B & Evolis KM2000B.
- Automatic deactivation of the status management (compatibility mode for Linux/Mac environment).

14/10/2015

Evolis Printer Driver - 6.3.0.73

- Add support for new models: Evolis KC200 & Evolis KC200B.
- New feature: possibility to set the speed parameter for monochrome ribbons.
- Compliance with the new Operating System El Capitan (MAC OS X 10.11).

10/07/2015

Evolis Printer Driver - 6.2.1.65

- New feature: support for extended printing resolution for Primacy and Elypso (600 and 1200 dpi).
- New feature: possibility to set brightness and contrast for each color separately (Yellow, Magenta, Cyan).
- Bug Fix in driver (Landscape and portrait orientation).

24/10/2014

Evolis Printer Driver - 6.1.1.52

- New architecture of the driver.
- Added support for the Elypso printer model.
- Automatic printer software selected during printer installation process.
- Printing improvement with half panel ribbon and Short Panel Management option (customization feature available).

13/08/2014

Evolis Printer Driver - 5.14.8.39

- Change the icon of universal communication tool. ("comtool")
- Change the name of universal communication tool. ("comtool")

19/05/2014

Evolis Printer Driver - 5.14.8.29

- Added new universal communication tool.

13/03/2014

Evolis Card Printer - 4.13.48.2

- Upward compatibility driver from MAC IOS 10.6 to 10.9 for Evolis printer models: Zenius / Primacy / Securion / Tattoo / Tattoo2 / Dualys3 / Quantum1 / Badgy1 / Pebble4
- Improve Blackflex ribbon management.
- Improve printing test card.
- Improve information message after the end of driver installation.

08/01/2013

Evolis Card Printer - 4.12.50.2

- Change the printing sequence commands.

12/04/2012

Evolis Card Printer - 4.12.8.10

- Improve direct communication tool for Zenius and Primacy printers.

22/03/2012

Evolis Card Printer - 4.12.8.8

- Update PPD files for Zenius and Primacy printers.

09/03/2012

Evolis Card Printer - 4.12.8.6

- Initial driver09/06/2021
