PAPER CARDS

Sustainable and functional cards

Eco-friendly, attractive and reliable, Evolis High Trust® paper cards are the ideal alternative to PVC for businesses wishing to reduce their plastic consumption without compromising quality. Evolis recommends paper cards for short-term usages (events, visitor identification, luggage tags) or for cards facing low physical stress (gift cards, loyalty cards) when color personalization is not required.

ADVANTAGES

• **Earth-friendly cards:**

Paper is a natural and renewable material, and comes from forests managed in a sustainable way. Our cards carry FSC (Forest Stewardship Council) label. Evolis paper cards are made of paper without any added plastic. Paper and cards are manufactured in France for a controlled carbon footprint. Our cards meet the compostability standard EN 14995 (cf EN 13432). Paper is biodegradable in the wild within a few months. Moreover, paper is recyclable and paper recycling stream is well developed.

• **Attractive cards:**

Our cards offer a high perceived value thanks to premium feel and high whiteness.

• **Functional cards:**

Tested and validated by Evolis R&D and Quality departments, these consumables bring you printing quality and reliability. Evolis paper cards are compliant with ISO Industry standards.
